Researchers at the University of Chicago are conducting a research study and want to hear about your first pelvic exam.

Do you identify as lesbian, gay, bisexual, transgender, or gender non-conforming and/or queer?

We are interviewing individuals aged 18-24 to learn about their experiences with their first pelvic exam.

It will take about 1 hour and you will get a $40 gift card for your time!

With this study, we hope to improve the experiences of LGBTQ patients with their first pelvic exam, and narrow the gap of reproductive health disparities for LGBTQ individuals.
