

# Context: Community Health Wages

Here's where our proposed wages stand locally and nationally when compared with other community health centers (CHCs):

## Patient Services Representative I

**9%**  
above  
IL avg.  
of \$18/hr

Better than  
**60%**  
of national CHCs

## Case Manager

**29% above IL avg.**  
of \$25/hr

*No national CHC data available*

## Medical Assistant I

**10%**  
above  
IL avg.  
of \$20/hr

Better than  
**75%**  
of national CHCs

## Physician Assistant

**9%-25%**  
above  
IL avg.  
of \$110,000/yr  
(based on tenure)

Better than  
**75%**  
of national CHCs

## Nurse Practitioner

**16%-23%**  
above  
IL avg.  
of \$109,000/yr  
(based on tenure)

Better than  
**75%**  
of national CHCs

## Psychiatric Nurse Practitioner (3 years or greater)

**22%**  
above  
IL avg.  
of \$120,000/yr

Better than  
**75%**  
of national CHCs

## Behavioral Health Provider / Therapist (Terminally Licensed)

**15% above IL avg.**  
of \$71,000/yr  
*No national CHC data available*
