**Successfully migrated the electronic medical system to a new state-of-the-art EPIC/MyChart platform following nearly 2 years of planning**

**Completed 15% more patient encounters in the second half of FY23 than in any previous period in the agency's history**

**Achieved record-setting improvements in patient satisfaction scores for the second half of FY23**

**Raised a total of \$7.8 million through fundraising, the most in a single year in the agency's history**

**Averted approximately \$11.5 million in deficit spending by implementing targeted cost reductions, increased visit volumes, system improvements, and other turnaround strategies**

**Successfully negotiated a second contract with our nurses' union in August 2022 and sustained spirited negotiations towards a first contract with our wall-to-wall union**

## Why Tom Segal Gives

"When I moved to Chicago in 1984, I turned to HBH for supportive health care and mental health care. They were there for me then, and I want to make sure they are here for people in need today and in the future. That is why I am a strong supporter of HBH. I have benefitted from their services, and I believe in their mission."
